

KWBU is my source for...

Have you ever told a friend that KWBU is my source for news, surprises or goosebumps?

How has public broadcasting made a difference in your life? In your community? What makes public radio or television "my source?"

Public television and radio are made up of a community of viewers and listeners who tune in for many different reasons. We'd like to know why KWBU is important to you. To contribute to the conversation,

please e-mail KWBU at mysource@kwbu.org or call 254/710-2774. We'll post comments on our website as air them on radio and television.
