Screening & Discussion; The Jewish Americans

Join acclaimed filmmaker David Grubin as he traces 350 years of Jewish American history, from the arrival of the first Jews in 1654 up to the present day in this exclusive sneak preview.

THE JEWISH AMERICANS tells the story of the struggle of a tiny minority to make their way into the American mainstream while, at the same time, maintaining a sense of their own identity as Jews. Focusing on the tension between identity and assimilation, THE JEWISH AMERICANS is a quintessential American story, which other minority groups will find surprisingly familiar.

Screening to be followed by Q&A with filmmaker David Grubin. Moderated by *Greater Boston's* Jared Bowen.

Free and open to the public. [RSVP required.](#)

Local sponsorship of this event is generously provided by Bank of America and Solomon Schechter Day School.
